April 2020

Dear Wonderland Campers and Families:

We know you were looking forward to coming to camp this summer, and we’ve been planning all winter for your arrival. Unfortunately, we have to cancel summer camp because of COVID-19. If you haven’t had a chance yet, please watch our video about our decision at www.wonderlandcamp.org.

The good news is that we want to bring camp to you this summer! Please “like” our OfficialWonderlandCamp Facebook page, follow our wonderlandcamp Instagram page, and check our website starting May 18 for what’s ahead. You’ll hear from me and many of our amazing summer staff members you’ve come to know and love.

The other good news is that Wonderland Camp is a strong organization. We expect to operate camp this fall as usual if the CDC guidelines allow, and we’ll be back and better than ever next summer. Here’s how we’re handling your registration:

- If your registration for camp in 2020 was complete (with your deposit or full payment already paid), we will move your registration to the same week of camp in 2021. (You will not need to pay more even if the camper fee is raised for next year.)

- If you do not wish to be registered for the same session in 2021, you have two options:
  --- Call the camp office at 573-392-1000 by May 8 and request a refund; or
  --- Call the camp office by May 8 and donate your fee or a portion of it to camp this year. We would genuinely appreciate any donations to help pay the costs of camp that go on even when campers aren’t present, such as insurance, utilities, and salaries for our permanent staff.

- If your registration was not complete, it will be cancelled altogether. You can register for camp next year beginning in January, as always.

Thank you for your love of camp and your patience as we all wait for the next time we can be together. If you are able to donate to help us pay the expenses we still have, we would greatly appreciate any gift you give. Just go to wonderlandcamp.org and click the Donate tab.

Take care, and follow us online for some fun this summer.

Sincerely,

Juan Morales,
Director of Camping Operations
